

**Scottish Environment Protection Agency  
Report to the Chapelcross Stakeholders' Group  
9 March 2018.**

**Radioactive Substances Act 1993**

**Inspection**

SEPA has not yet undertaken inspections at the Chapelcross site in 2018. There 5 compliance inspections at the site planned for 2018.

**Compliance for 2017**

SEPA assesses compliance with the conditions and limits associated with the permits, Authorisations and licenses issued to the station in accordance with our Compliance Assessment Scheme (CAS). The assessments, based on the outcome of SEPA's inspections and the data returns that the site are required to provide, are made on an on-going basis throughout the year and an end of year summary score is published. For 2017, the Chapelcross site's compliance with its RSA Authorisation has been assessed as "excellent".

**Other Regulatory Interactions**

There have not been any other regulatory interactions with the Chapelcross site to date in 2018.
